

Take head support to the next level with the award winning Matrx Elan Headrest series by Motion Concepts. The compact, lightweight and highly adjustable options provide head and neck support to Matrx back supports.

## ELAN HEADREST HARDWARE

- **Elegant** - clean, compact, streamlined aesthetics
- **Adjustable** - six points of adjustment provide infinite positioning opportunities to meet user needs, including a swing away function to assist with transfers
- **Easy** - single tool set-up. Optional tool-less adjustment levers make it easy to change the position of the headrest to meet individual's needs
- **Reliable** - multi-disk locking provides superior holding strength

## ELAN HEADREST PADS

- **Comfortable** - dual density foam provides immersion, prevents bottoming out
- **Protecting** - moulded foam surrounds backing plates, easily removed for modification, made with Ultra-fresh antimicrobial additive and finished with a removable Startex cover
- **Lightweight** - 45% lighter than competitive headrest pads
- **Versatile** - range of styles and sizes, aluminium plates can be formed to desired shape
