

**PREMIER
COMFORT**
BY THE COMFORT COMPANY

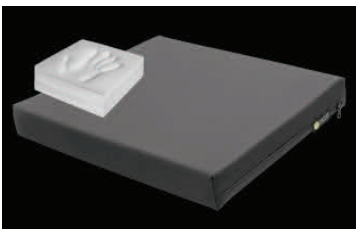

The Premier Comfort range offers affordable solutions for a variety of needs and was developed by The Comfort Company to provide quality, yet affordable seating and positioning solutions for everyday use.

Basic Foam Cushion

Basic 2" high cushion suitable for everyday use and is ideal for those wanting a cost-effective or short-term wheelchair cushion. Includes a breathable and washable cover.

Available in 16x16, 18x16, 18x18, 20x18.

Visco Memory Foam Cushion

Basic 2" high cushion that will adapt to the body shape to maximise pressure redistribution. Ideal for those wanting a cost effective or short-term wheelchair cushion. Includes a breathable and washable cover.

Available in 16x16, 18x16, 18x18, 20x18.

Coccyx (Sacral) Relief Foam Cushion

Basic 2" high cushion with coccyx cut-out designed to unload pressure specifically from the coccyx area. Ideal for those wanting a cost-effective or short-term wheelchair cushion. Includes a breathable and washable cover.

Moulded Lumbar Support Pad

Basic foam lumbar support that eases lower back pain and improves posture. Ideal for travel, home, office or wheelchair use. Features a side lateral support / adjustable strap and includes a breathable and washable cover. Measures 14x13.

Handi Hook

The Handi-Hook is designed to fit walkers and other mobility equipment with 1" tubing. Ideal for holding handbags, grocery bags, canes and more.
