

QuadTools

By Quadventure Quadtools

Tools that help C5-C7 quadriplegics lead a more independent lifestyle

LONG / ORIGINAL CRIPPER

SHORT CRIPPER

MINI CRIPPER

Quadtools provide a range of custom-made reacher/grabbers and other tools designed for C5-C7 quadriplegics who have extension wrist function (ie, able to bend their hand back at the wrist). Available in Left or Right and Lightweight or Heavy Duty grades for a wide range of applications. Selected models available for trial.

- No grip or finger movement necessary
- No straps - easy on/off
- Durable aluminium and stainless steel construction
- 100% unconditional guarantee
- Designed for a wide range of applications
- Every tool is custom-fitted to each user

C1 SOUTH
