Introducing The New SmartDrive MX2

SmartDrive
powered by max mobility

The SmartDrive® is a revolutionary power assist device that gives greater freedom and power to chair users.

- **POWERFUL**
Cruises up hills and over thick carpet.
- **INTUITIVE**
Push to go. Tap brake to stop. It's that simple.
- **SIMPLE**
Turn on and go all day without charging.
- **FLEXIBLE**
Moves with you for wheelies and curbs.
- **LIGHTWEIGHT**
So light, you won't even know it's there.

New Introducing the SmartDrive MX2

Convenient single-unit design
Installation is faster and easier than ever with the re-chargable battery pack built right in. Just hook the unit onto the quick mount bracket and you're all set.

Intelligent wrist control
Smart and fashionable, the new intelligent wrist control senses your movements and knows when you're ready to stop, and when you're ready to get moving.

Compatible with folding chairs

The optional quick-release mounting bar is a dream come true. Just pull back on the spring loaded flanges to quickly attach or remove your SmartDrive MX2.
