

# stimulite® spa

## Bath Mitt

Featuring Stimulite Honeycomb

- Cleanses, exfoliates and massages for softer, smoother, younger-looking skin
- Perforated honeycomb cells create a lavishly foamy lather with just a pinch of soap
- Or simply use it dry, brushing with upward strokes towards the heart to promote blood flow to tissue, rejuvenating the body
- Naturally antibacterial, antifungal and allergen free
- Rinse thoroughly after use; dries quickly—great for traveling!
- Non-abrasive, medical grade material is eco-friendly and recyclable
- Technologically advanced
- Made in California
