

Discover How Our Cells Work For Your Cells®

stimulite® spa

Body Scrubber

Featuring Stimulite Honeycomb

- Cleanses, exfoliates and massages for softer, smoother, younger-looking skin
- Features both a soft and firmer version of Stimulite honeycomb
- Perforated honeycomb cells create a lavishly foamy lather with just a pinch of soap
- Or use dry, brushing your body with upward strokes towards your heart to promote blood flow to tissue
- Naturally antibacterial, antifungal and mildew resistant
- Rinse thoroughly after use; dries quickly—great for traveling!
- Non-abrasive, medical grade material is eco-friendly and recyclable
- Made in California
