# ungrip Let go of your phone

The Ungrip is the ultimate solution for holding your mobile phone effortlessly and securely. As the size of phones increase, they are harder to hold, especially for those with limited hand function. The Ungrip is a fabric loop that attaches to the back of a phone or case with strong 3M tape, allowing you to safely hold your phone without the risk of dropping it.

- Small, lightweight and strong
- Very comfortable to use
- Flexible design allows multiple ways to grip
- Compatible with most phones and cases\*
- Can be removed without leaving residue
- Six stylish designs to choose from
- Measures 60mm x 30mm x 6mm

\* Adheres to most flat, non-slip and non-porous surfaces. Visit [www.c1south.co.nz](http://www.c1south.co.nz) for a full material guide to ensure the strength and efficiency of the bond between your phone and the Ungrip.
